

Identification de la quantité avec 100 blocs

Nom:

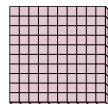

Utilisez les blocs pour déterminer les quantités totales.

Ex)

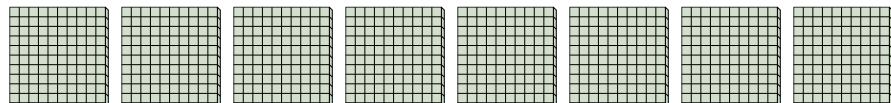

$$4 \text{ centaines} = 40 \text{ dizaines} = 400 \text{ unités}$$

1)

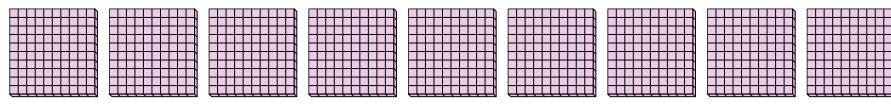

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

2)

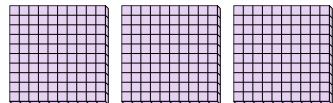

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

3)

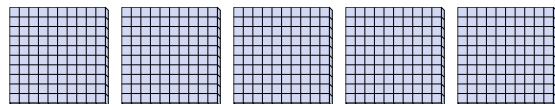

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

4)

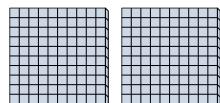

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

5)

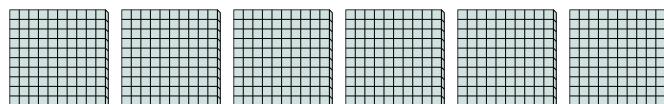

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

6)

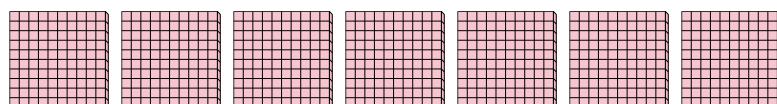

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

7)

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

8)

$$\underline{\quad} \text{ centaines} = \underline{\quad} \text{ dizaines} = \underline{\quad} \text{ unités}$$

Réponses

Ex. **4 40 400**

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

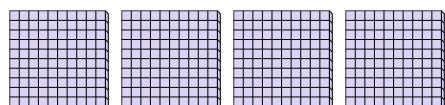

Identification de la quantité avec 100 blocs

Nom: **Clé**

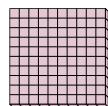

Utilisez les blocs pour déterminer les quantités totales.

Ex)

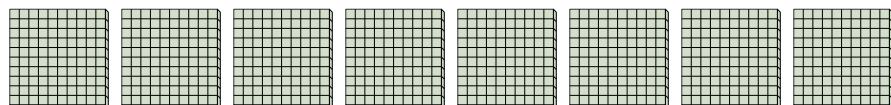

$$4 \text{ centaines} = 40 \text{ dizaines} = 400 \text{ unités}$$

1)

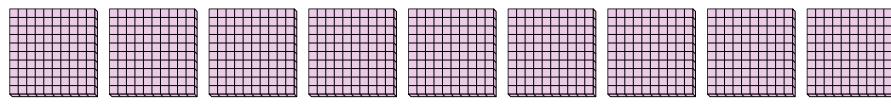

$$1 \text{ centaines} = 10 \text{ dizaines} = 100 \text{ unités}$$

2)

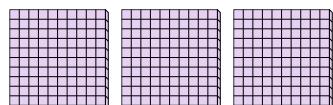

$$8 \text{ centaines} = 80 \text{ dizaines} = 800 \text{ unités}$$

3)

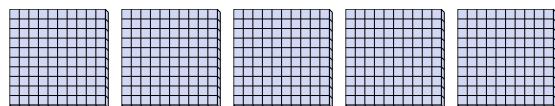

$$9 \text{ centaines} = 90 \text{ dizaines} = 900 \text{ unités}$$

4)

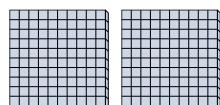

$$3 \text{ centaines} = 30 \text{ dizaines} = 300 \text{ unités}$$

5)

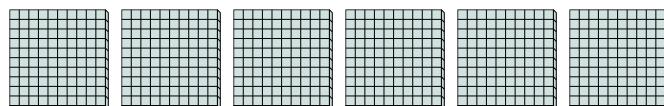

$$5 \text{ centaines} = 50 \text{ dizaines} = 500 \text{ unités}$$

6)

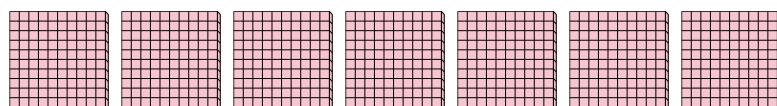

$$2 \text{ centaines} = 20 \text{ dizaines} = 200 \text{ unités}$$

7)

$$6 \text{ centaines} = 60 \text{ dizaines} = 600 \text{ unités}$$

8)

$$7 \text{ centaines} = 70 \text{ dizaines} = 700 \text{ unités}$$

Réponses

Ex. **4** **40** **400**

1. **1** **10** **100**

2. **8** **80** **800**

3. **9** **90** **900**

4. **3** **30** **300**

5. **5** **50** **500**

6. **2** **20** **200**

7. **6** **60** **600**

8. **7** **70** **700**
